Notice

The world is confronting with the crisis created by COVID-19 and the Government of Nepal has been making efforts for its prevention and control. It is our responsibility to support the government's efforts. In this context, a National Symposium that was planned for 22-24 April 2020, as a preparatory activity for the International Conference on Nepal's Reconstruction (27-29 November 2020) is postponed until the further notice. We regret for incontinence that may have caused.
